

# "ART ROCKS"

in Clinton, NY 2007

Presented by  
The Clinton Chamber of Commerce  
and The Kirkland Art Center

"Art Rocks" is an exciting new summer-time promotion. From July 12th to September 20th the sidewalks of Clinton will be transformed into a walking art gallery as twenty seven Adirondack style rocking chairs each painted with original artwork by a local artist will be on display. If you would like to own one of the art rockers you may bid on it and the auction procedures are printed on the reverse side.

Art Rockers will be displayed at these locations during their regular business hours.
